Professional Summary

Looking to launch my career in a beginner role where I can build on the technical foundation established during my three years at North Maharashtra University, Jalgaon. I'm excited to join a collaborative team environment that fosters growth, learning, and hands-on experience, allowing me to refine my skills and make meaningful contributions to the field.

Educational Background

2024	Bachelor of Computer Applications MGSM'S Art's, Science & Commerce College, Chopda North Maharashtra University Jalgaon. 83.67%
2020	HSC R.C. Patel English Medium Junior College, Shirpur Maharashtra State Board 67.54%
2018	SSC P.B.M. Municipal High School & Jr. College, Shirpur Maharashtra State Board 68.60%

Certification Completed under First Bit Solutions, Pune

Full Stack Diploma in Java Completed

Technical Skills

Core Technologies	C, C++, Java, PHP, Data Structures
Web Technologies	HTML, CSS, JavaScript, jQuery, Bootstrap
Database	MySQL
Frameworks	Servlet, Hibernate, Spring, Spring Boot, Angular
Tools	Eclipse, Visual Studio Code, Dev-C++

Academic Projects

1.FirstBit Solutions Project:

Project Title: Player Management System.

Technologies: C++

Description: player information for sports teams. Implemented features such as adding new players with details like name, age, and position, displaying player information, updating player details, and removing players from the database. Utilized object-oriented programming concepts such as classes and inheritance to efficiently manage player records and enhance system scalability.

2.Final Year Project:

Project Title: BarberShop Management System.

Technologies: PHP

Description: This project involves developing a user-friendly web application for booking salon services, enabling users to select services, book time slots, and manage their bookings efficiently. Admin functionalities include managing services, viewing user details, and handling bookings by accepting or rejecting them with explanations.

Achivements

- Hackerank Cirtification (Basic c)
- Generative AI
